

Here are the top 15 billing codes done by each department at Mountain Family Health Center in the year of 2017.

These prices reflect the cash pay only and do not reflect our sliding fee scale (based on income) which determines a nominal fee due at each visit.

No patient will be denied services based on an inability to pay.

If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided by a health care provider at this community health center. If you are not covered by health insurance, you are strongly encouraged to contact our billing office at 970-945-2840 option 5, to discuss payment options prior to receiving a health care service from a health care provider at this community health center. Prices might not reflect the actual amount of your financial ability. No patients will be denied services based on an inability to pay. You are encouraged to speak to our billing office to determine if you are eligible for a sliding fee discount based on your income and family size. If you need assistance enrolling in a health insurance program, contact our enrollment team at 970-945-2840, option 6)
