GIVE

**BUILDING HEALTH FOR ALL: THE BASALT INTEGRATED HEALTH CENTER CAMPAIGN**

Fundraising & Construction Tours

By Garry Schalla, Development Director

I've had the pleasure of hosting community members on construction tours of our [new Basalt Integrated Health Center](#). It's exciting sharing where we'll be providing our expanded medical, dental, and behavioral health care services, and how that will benefit the lives of residents and workers in the Roaring Fork Valley.

Mountain Family Health Centers is thrilled to have raised \$1.16 million in generous community and partner support, and we deeply appreciate this commitment to expanding access to health care in the Roaring Fork Valley. [We need your support to fund the \\$3.4 million](#) required to expand services in the Valley and create a new, state-of-the-art health center for fully-integrated medical, behavioral and dental health care.

## YOUR LEGACY: EXPANDING HEALTH CARE

**Naming Rights Opportunities with New Health Center**

By Garry Schalla, Development Director

You can support expanding health care services in the Roaring Fork Valley and leave a lasting legacy by pledging your support for the Building Health for All: The Basalt Integrated Health Center Campaign. Mountain Family is offering naming rights as a way to say "thank you" for your support.

## SAVE THE DATE: COLORADO GIVES DAY

**Plan End-of-Year Giving Before the Holidays**

By Mountain Family Health Centers

Colorado's largest day of giving, [Colorado Gives Day](#), is taking place on Tuesday, December 4th this year. Each winter, thousands of people come together to support Colorado nonprofits like Mountain Family Health Centers. It is now possible to schedule donations ahead of time, which is a great way to plan ahead and not miss out on giving to your favorite nonprofit.

## BASALT CELEBRATES REACHING HEALTH CARE GOALS

Strong Progress In Recent Review

By Dr. Anneliese Heckert, Basalt Site Medical Director & Primary Care Provider

Congratulations to the Basalt care teams for achieving "all greens" on our [smiley face outcomes chart](#). The team has been working very hard, focusing on pediatric well visits and weight screening and counseling as well as our diabetic measures. Keep up the good work and congrats on a job well done.

Adult > 2500 Minutes	% of adults less than 5,000 minutes on health care visits (race & ethnicity)	7.0%		☑	Annual Review
Dental Screened	% of children 6-9 years of age who received a dental or a preventive eye exam	46.7%		☑	

Legend: ☑ = 90% has met or exceeded goal ☐ = within 12% of meeting goal ☒ = more than 20% away from goal  
N = National Doc Average F = CA PC Average

## TESTIMONIAL: MATTHEW HAMILTON

In Their Own Words

"The Basalt clinic will provide critical services for thousands of Mountain Families patients in an easy to access facility. What's more is that the clinic centrally located, medical, dental and behavioral health services under one roof, and does it all at an affordable cost. With medical costs skyrocketing and people's lives only getting busier opening this clinic is a testament to our community's commitment to whole patient wellness." - Matthew Hamilton, Sustainability Director, Aspen Skiing Company
